About our classes and workshops

Your place in a class or workshop is assured after a 50% deposit has been received. At least one week prior to class the balance is required and you will be given your requirements list.

In the event of cancellation of your class or workshop by **us** we will fully refund your money. If **you** cancel less than 72 hours prior to your class or workshop your deposit is forfeited.

Please ensure you wear closed in shoes while in the classroom for your own safety. Use of your machines while in class is at your own risk. We encourage you to label all of your belongings clearly to avoid any confusion.

To ensure your class starts on time and runs on schedule, it is recommended that you have your fabrics pre-selected. We are more than happy to help you with your selection prior to class commencement.

Relax and enjoy your class or workshop and please let us and your friends know about your experience.

Happy Stitching!
